Route 3 . . . Elyria, Ohio

Again greetings to our many "glad" friends.

August and September rains made up for earlier moisture deficiency resulting in a good crop of bulbs.

Beautiful Ohio is still winning strong as attested by the report of Mr. Holec from the State Regional show at Cedar Rapids, Iowa, Aug. 9, 10, 1941, the only report received to date of this writing.

"I am very happy to enclose the Bulb Award Certificate for \$10.00 value of American Commander. Your Beautiful Ohio 3 spikes was the best lavender in the show.

"Second—It was also the best 3 spike entry of the entire show as shown by an amateur which won for me a trophy.

"Third—It also won for me \$3.00 value of Kinyon originations donated by Wentworth Gardens because it was amateur 3 spike champion.

"Fourth—Because it was the best entry in Division 200-A3 it won \$5.00 worth of Wenonah.

"Fifth—Also Flying Cloud Farms made a bulb award of two large Robert Shippee bulbs for the best lavender grown by an amateur.

"Sixth—Our vase Beautiful Ohio and Golden Chimes won the best vase entry of the entire show. This entitled me to a gold cup."

Since writing the above it is reported that Beautiful Ohio missed many of the shows this year because of its early blooming.

We continue to try out outstanding new glads retaining only those found satisfactory after several trials. Some of these are listed along with good old ones. Our mutual interests demand that we produce for you only the best.

We guarantee bulbs to be true to name but like any one we are liable to mistakes. We shall be glad to make satisfactory adjustments should mistakes occur.

Stock is state inspected under certificate 210 and found to be free from injurious insects and diseases.

Due to advanced age, as stated last year, we reduced our acreage, discarding some of the older varieties and specializing on newer ones.

As imported bulbs are now out of the picture, we advise early buying as stocks may soon be so depleted that many varieties will be sold out entirely. Better hurry.

Terms—Cash with the order or 25 per cent cash balance c.o.d.

Transportation charges paid on all cash retail orders. We prefer to sell no item under 10c and no order under \$1.00.

All orders received subject to prior sale.

We classify bulbs as large—sizes 1 and 2, medium sizes 3 and 4 and small sizes 5 and 6 and indicate same by the initial letter L, M, and S.

We have the following varieties, mostly new or near new, in more or less small quantities but not enough to justify including them in the general list. If you would like any of these write a list of those you are interested in and we will quote prices on any we can spare of bulbs or bulbets as listed below:

Adler, Algonquin, Arabella, Ariadne, Bluet, Bingo, Beautiful Dream, Camellia Christabel, Clingendahl, Del Ray, Flora Farmer, Harvest Moon, King Lear, Lady Astor, La Fiesta, Lois, Pheasant Dorle, Purple Beauty, Rennissance, Sweet Alibi, Snow Princess, Sensation and Tunias Blue.

5 at the 10 rate. 100 at 7 times the 10 rate.

Large growers write for wholesale prices mentioning quantities and varieties wanted.

All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, thoroughly furnished unto all good works. II Tim. 3:16,17.

Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.

Marvel not that I said unto thee, Ye must be born again. John 3:7.
